Testimonials

"We'd be in the wrong house at the wrong price if it wasn't for their expertise and understanding of the different dynamics on the lake. Working with the JCR team was a great experience and true testament to their knowledge of the lake"

Tom & Haley Brandstater
Nashville, TN

"We moved to Alabama in 2014 and started looking at several lakes for the right lake house. Five years later, we chose Smith Lake. We tried a local realtor and it just was not a right fit. We were introduced to Joseph Carter Realty and immediately felt a great fit. They did not just show us houses, they looked for our right house and found it! Once we purchased, we had a few unresolved issues with the seller and Joseph Carter stepped up and made it right without us ever even asking. My wife Laura and I highly recommend Joseph Carter Realty for all your real estate needs. They are simply the best agency serving Smith Lake."

Lee & Laura Domingue
Birmingham, AL

"We had a great experience working with Joseph on the purchase of our property in Slick Ford. Over the three year time span, Joseph was always accommodating, calm & diligent in assisting us with our search on Smith Lake."

Lucas & Maggie Black
Houston, Alabama
